

Colour Splash

Welcome to Colour Splash!

Find a beautiful combination of colours to make your website or project stand out.

1. Use the Tester to try out combinations of colours with the easy-to-use color picker.
2. Export your final selection by tapping the share button.
3. Add to your project!

[Get Started](#)

"Colour
Splash is a
great tool!"

"A simple way
to try out
colour
combinations."

"Easy to use."

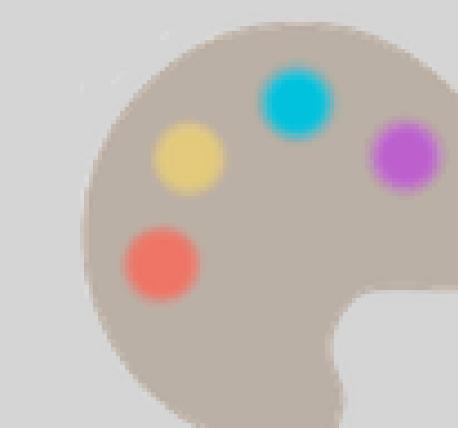

"A great aid
for any
designer."

"Just the tool
I needed!"
